WIN

One lucky reader will receive Milestone Kitchens units of their choice to the value of R50 000!

Still dreaming of a kitchen revamp? With our Kitchen Heroes competition, brought to you by Milestone Kitchens, you could do just that – with the units of your choice!

Designing a kitchen is a personal process and it's hardly surprising if you consider the fact that this space is likely to become the place where you spend most of your time. These days, people cook, eat and socialise in their kitchens.

Perhaps the kitchen of your dreams has a super-sized island in the middle of it. Or maybe you've always wanted a butler sink. And how about a beautiful dresser in the style and colour of your choice?

Dreams can come true. Just follow these simple steps:

HOW TO ENTER

- Go to milestonekitchens.co.za and select the 'hero item' around which you'll design the rest of your kitchen from their range of products. Make a note of its name and the style you'd prefer.
- Now take a picture of your own kitchen and, in no more than 150 words, tell us why you want to renovate. Include the name and style of your hero item (dresser, island, sink unit, cutlery server – whatever it might be!) in your entry.
- Email your entry to competition@homemag.co.za.

Price excludes delivery; see competition rules on page xx.

CLOSING DATE 30 November 2017

The Top 3 entries selected by the owner of Milestone Kitchens, Silvia Miles, will receive a kitchen design based on their hero item; these will be published in a later issue of Home.
